# 1-Year Visiting Student Program

## Description of Courses

### Fashion Design AAS – Core Courses

#### FASH324

#### **FD113 – Apparel Design: Structured Silhouettes 4 credits**

Students learn the principles of draping as a method of designing original garments in three-dimensional form. Draping techniques and construction skills are developed for more advanced structured garments, along with an understanding of silhouette, proportion, and current style trends.

#### **FD114 – Apparel Design: Soft Silhouettes 3 credits**

Students learn to drape soft silhouettes using muslin and soft fabrics. Creative designs are explored, from basic to classic to complex shapes. An original garment is designed and executed in fabric.

#### **FD135 – Materials and Construction (for 1-Year AAS) 3 credits**

This course stresses hands-on construction, cutting, and finishing techniques for creating garment prototypes. Students are introduced to materials including cottons, wools, silks, piles and interfacing, core characteristics and handling. Visits to FIT Museum study rooms and exhibitions further opportunities to explore the influence of fabrication choices, construction details and techniques for silhouette development.

#### **FF113 – Fashion Art and Design (for 1-Year AAS) 5 credits**

Students learn to sketch and render the contemporary fashion figure in order to create a fashion design collection. The course concentrates on proportion, fabric rendering, design details, garment silhouettes, and presentation techniques.

#### FASH333

#### **FF115 – Digital Fashion Design Studio I (for 1-Year AAS) 2 credits**

Students study fundamental and advanced techniques specific to fashion design using relevant software such as Adobe Photoshop and Illustrator. Assignments emphasize digital design development as applied to the creative fashion designer for sketching techniques, color stories, fabric design, line planning, and original silhouette development.

#### **FA105 – Life Drawing 1.5 credits**

For Fashion Design and Menswear students. Focus on figure drawing, stressing line, gesture, and composition. Study of proportion and anatomy of the human figure is undertaken.

**All Students take the courses listed above.**

# 1-Year Visiting Student Program

## Description of Courses

### Fashion Design – Apparel Specialization, AAS

*In addition to the courses on page 2, you must take all courses on this page if you select the Apparel Specialization.*

**FD227 – Design Studio IV – Advanced Draping 3 credits**

This course further develops creative and technical skills in apparel design. Advanced draping projects enable students to explore design through a variety of fabrication, draping, and construction techniques. Students also learn how design resources and presentation skills can help them articulate their ideas.

**FD243 – Apparel Design Studio – Patternmaking 3 credits**

This course introduces students to master pattern design, including basic and advanced techniques for original design, sloper, and pattern development according to professional standards. They learn accurate industry-standard terminology, pattern identification, and tool usage. They test patterns in muslin for fit and proportion of basic and complex design prototypes.

**FF114 – Model Drawing I for Fashion Designers 1 credit**

Students learn to draw fashion figure proportion, movement, silhouettes, and details from the fashion model in a variety of poses. Emphasis is placed on experimenting with various media and techniques to render the different characteristics of fabric.

**FASH421**

**FF212 – Fashion Design Concepts IV 2 credits**

This course enables students to understand the design process necessary for the execution of a design portfolio. Students create a design portfolio for two design seasons in their chosen area of study. An individual drawing style is developed along with suitable presentation techniques and formats.

**FASH220**

**TS131 – Textile Principles for the Fashion Designer 3 credits**

For Fashion Design students. Study of textile materials with an emphasis on the factors that produce a successful apparel fabric. Fabric characteristics such as appearance, drapability, hand, and performance are studied. Fabrics used in Fashion Design are also studied.

**CL112 – Faces and Places in Fashion 2 credits**

Students are introduced to prominent industry professionals, including executives, designers, and marketers, who discuss their trade, experience and perspective on the business. Part presentation, part Q&A, this class is an opportunity for students to connect to the pulse of the fashion and related industries in an open, conversational setting. Students also participate in course-related events to bridge in-class discussions with real-world experience.

**One class will substitute for the ART/ARTH/THEA elective**
