

Gregg Nebel, Americas, adidas-Group, Head of Social and Environmental Affairs

Gregg Nebel directs regional field operations and compliance activities with the adidas-Group's footwear, apparel, and accessories supply chains. He is the Social and Environmental Affairs corporate point person for the adidas-Group's Americas based brands (adidas North America, Reebok International, TaylorMade adidas Golf, and others), subsidiaries, and licensees. His global management responsibilities include strategic compliance planning and performance measurement, stakeholder verification, public reporting, and more.
